

Steps to benefit from SEEREP

1
Choose **energy saving equipments** and obtain a **pro-forma invoice** with an attached **proof of efficiency**
(copy of the energy label or energy performance information)

2

At the SEC*:
Complete a **SEEREP form application** and get your pro forma invoice validated and stamped

3
At the bank:
Complete the **SEEREP loan application** with these previous documents

4

Purchase the equipment(s) and keep the receipt for future eventualities
